COMMUNITY FOCUS: Wangaratta Library features in the most recent episode of the 'This is Wangaratta' podcast.

WANGARATTA Library is the subject of the most recent instalment of the 'This is Wangaratta' podcast.

Produced by local resident Kylie Patrick, who returned to the rural city in 2022 after 30 years spent living away and was keen to highlight the many aspects of the community, the podcast has partnered with the **Wangaratta Grit and Resilience Program** to draw attention to local groups and services.

Episode one featured the Grit and Resilience Program and Project 365; episode two focuses on Big Brothers Big Sisters and Boys to the Bush; episode three is about LINE Wangaratta and the North East Multicultural Association; Wangaratta's two neighbourhood houses, Pangerang Community Hub and Open Door Neighbourhood House, are the centre of episode four, and episode five features Carevan and Loaves and Fishes - Christians Caring.

The library is the focus of episode six.

The 'This is Wangaratta' podcast is available on major platforms including Apple Podcasts, Spotify, Google Podcasts.
